Hon'ble M.M. Ghildiyal J.

Heard Sri Navneet Kaushik learned counsel for the applicant and learned A.G.A.

The applicant has applied for bail in case crime no. 64 of 2004 under Section 452, 324, 307, 504 and 506 I.P.C.

Perusal of the First Information Report shows that the applicant has been assigned specific role of giving the knife below on the chest of the injured. The injury report of injured Birbal reveals that there was a incise wound on left side of the chest. This injury was kept in observation and the Doctor referred the injured to surgeon. The supplementary report shows that on left side of chest, there was a surgical employ sure and the Doctors opinion is that the injuries are grievous in nature.

In view of the specific role assigned to the applicant as well as the injury caused on the person of the injured, I do not find it is a fit case for bail. Rejected.
